THE GOOD STUFF

- No corporate bureaucracy
- Use your skills to conduct surveys, write reports, and get paid
- Work when you want, where you want - survey locations are in close proximity to your home!

QUALIFICATIONS

- Well versed in NFPA and FM standards
- Experience at FM, IRI, or other large property carriers
- Expertise with NLEs, PMLs, and MFLs
- Strong technical writing skills
- Self-motivated person who enjoys the hustle!
- Travel to survey locations and write your reports from home

JOB DETAILS

- Paid on a per-job basis
- Collect/analyze COPE details and NatCat exposures
- Determine adequacy of automatic fire protection systems and water supplies for manufacturing and storage occupancies
- Develop recommendations for improvement
- Write in various insurance carrier report writing systems
