Sprinkler System General ITM				X		X		X
Antifreeze Solution Test						X**		
Test Sprinklers								
All								
All								
Dry, ESFR and Fast Response CMSA								
Extra high Temp.								X
Fast Response								
In Harsh Environments								X
Commercial Cooking Protection						X		
Standpipe and Hose Systems General						X		
Standpipe Flow & Hydrostatic Test								X
Hydrant Inspection, Test & Maintain						X		
Dry Hydrant Inspection				X				
Water Supply Test (Flow & Pressure)								X
Fire Pump Inspections								
Alignment						X		
Diesel/Electrical System & Pump		X						
Pump House/Room		X						
Pump System Components						X		
Fire Pump Tests								
Diesel Engine Driven Operation (No Flow, 30 min.)		X						
Electrical Motor Driven Operation (No Flow, 10 min.)		X	X					
Performance Test (50%, 100% & 150% rated flow)						X		
Alarms (incl. fire pump, fuel tank, etc.)						X		
General Fire Pump System Component Maintenance						X		
Fire Protection Tank Inspections								
Foundation				X				
Heating System w/Alarms				X				
Heating System w/o Alarms	X*							
Interior - Steel Tanks w/o Corrosion Protection							X	
Interior - All Other Tanks								X
Exterior				X				
Water Level - w/supervised water-level alarms				X				
Water Level - w/o supervised water-level alarms			X					
Fire Protection Tank Tests								
High- & Low-Water temperature Alarms						X**		
Tank Heating System						X**		
Water-Level Signals						X		
Level Indicators								X
Sprinkler System Component Inspections								
Alarm Valves				X				X
Backflow Prevention Assemblies		X						X
Check Valves Interior								X
Control Valves		X	X	X				
Dry Pipe Valve Enclosure	X*	X						
Dry Pipe & Deluge Valves			X			X		X
Fire Department Connections & Hose Valves				X				
Gauges			X	X				
Preaction Valves			X			X		X

Pressure-Regulating and Relief Valves		X		X		X		
Supervisory Signal and Waterflow Alarm Devices				X				
Air Compressors & Nitrogen Generators			X					
Sprinkler System Component Tests								
Backflow Prevention Assemblies						X		
Control Valves					X	X		
Deluge Valve Trip Test						X	X	
Dry Pipe Valves/Quick-Opening Devices				X		X	X	
Gauges								X
Main Drains				X		X		
Preaction Valves				X		X	X	
Pressure-Regulating and Relief Valves				X		X		X
Air Compressors & Nitrogen Generators						X		
Waterflow Alarms				X	X			
Internal Piping Assessment						X		X
Fire/Smoke Doors						X		
Firestopping						X		
Partitions and Ceilings						X		
Smoke Control Systems					X	X		

* (in cold weather)

** (prior to cold season)
